

# Developing Leadership for Good Governance

---

CERTIFICATE OF COMPETENCE

# COURSE OVERVIEW

---

Looking to enhance your leadership capabilities and make a positive impact as a public representative? Realise your full potential as a government leader by joining Africa's leading School of Governance. With a focus on vision establishment, strategic foresight, and oversight engagement, you will develop the skills and knowledge necessary to excel as a leader within government entities. Our expert facilitators will guide you through the process of building your professional capabilities, while also providing valuable insights into executive structures and public representation.

## What to expect from the course

On completing all course requirements, participants should be able to:

- Articulate future-oriented perspectives, plans, policies and strategies in the context of markets, the economy and state interventions.
- Outline the parameters for governance action and the manner in which leadership is best exercised within specific government contexts.
- Collate information on proposals, review and summarise such information to make judgements.

## Admission requirements

NQF 5 or equivalent qualification or Matric and a minimum of three to five years of leadership experience.

## Delivery mode

- Short course date: August 2023
- The 5 modules will be delivered over 5 weeks in block release format. Participants will be required to attend class for 4 days of a week, once a month, over a period of 5 months.
- The onsite delivery of the short course will be at the Wits School of Governance, Parktown Management Campus. Offsite delivery mode is offered subject to the commitment of a minimum numbers of participants being registered for the course.

- Please note that travel and accommodation will be at the cost of the students' respective organisations.

## Status of certificate

- The course is accredited by Wits University in line with the requirements of the Council on Higher Education.
- Successful participants will receive a certificate which does not lead to a qualification and does not carry credits towards an academic qualification.

## Cost

R39 000.00 per participant.

## Bursary

Partial bursaries will be awarded in partnership with Old Mutual to the first twenty successful applicants who meet all the respective criteria on a first come first serve basis.

## About Wits School of Governance

---

The Wits School of Governance (WSG) is a postgraduate institution that works towards transforming the public, private and non-governmental sectors through education and building an Africa we all want to live in.

We do this by teaching our students skills that help them navigate their challenges with confidence and purpose. We believe in making education relevant to all people by hosting regular public dialogues, debates and talks. We form partnerships with different organisations, including those outside the higher education sector, to ensure that education translates into action.

We attract the best academics to teach our students and also have experienced practitioners contributing to the classroom and debates.

WSG believes firmly that evolution and innovation is critical to our success as the nature of the world changes. We provide an environment which allows students to extend their knowledge of theory and practice in areas that complement their work challenges. It is important to us that our programmes have content that is aligned to global and local challenges. We educate over 1000 students and short course participants annually.

The School is located in Parktown, Johannesburg, one of Africa's biggest cities and South Africa's economic powerhouse. The School falls under the Faculty of Commerce, Law and Management at the University of the Witwatersrand.
